'Woodside' 2005 Verdelho

The color is pale straw with some green notes. Fresh clean aromas of pineapple, nectarine, apple, and some lemon tempt the palate. There is also a subtle leesy, mineral character. A medium body palate with incredible fruit intensity and nectarine and green apple mouthfeel. An excellent acid spine aids mouthfeel and carries the flavor right through until long after swallowing. Great with salads, chicken, fish and pasta.
