

Syan

*2003 Reserve Cabernet Shiraz
92 Pts*

"A gorgeously rich, dense, full-bodied effort that was aged 18 months in American oak hogsheads and bottled unfiltered. A vibrant, lively, deep ruby/purple-colored wine, it offers aromas and flavors of blueberries, chocolate, espresso roast, and vanilla. Rich and heady, with superb purity and delineation, it should age beautifully for 10-15 years."
