

**BUTTING HEADS™**

**2004 SHIRAZ**  
**90-92 Pts**

*"I believe this is the first Barossa Shiraz imported by Ravensvale. It is an impressive effort from a vineyard planted in the red schist soils of Krondoff. Aromas of juicy black currants interwoven with smoky bacon fat, plums, and violets emerge from this elegant, medium to full-bodied, rich Shiraz. Anticipated maturity 2008-2015."*
