

2011 Sexual Chocolate

Rich. Dense. Delicious.

Born from a bootlegging operation in a garage and now turning the wine world on it's head, comes Sexual Chocolate from the boys at SLO Down Wines. Charismatic, irreverent and completely contagious.

Loads of **dark fruit** on the nose, **massive entry** with blackberry, plum and spice with a long, **intense** finish. Pairs well with Wednesday nights, pizza and another bottle of **Sexual Chocolate.**
